

Kids Care

We care about the older people who care for us

Help the children find the ice cream

**Grandma loves to read to me.
It's fun to read along with her!**

I like to help when my neighbor bakes cookies; they are like big, warm hugs!

Granny and I always have a good time shopping. I love our special times together!

I pretend to be a movie star when I play dress up with my Aunt Jenny.

Taking a walk is good exercise and lots of fun for Grandma, Mom and me!

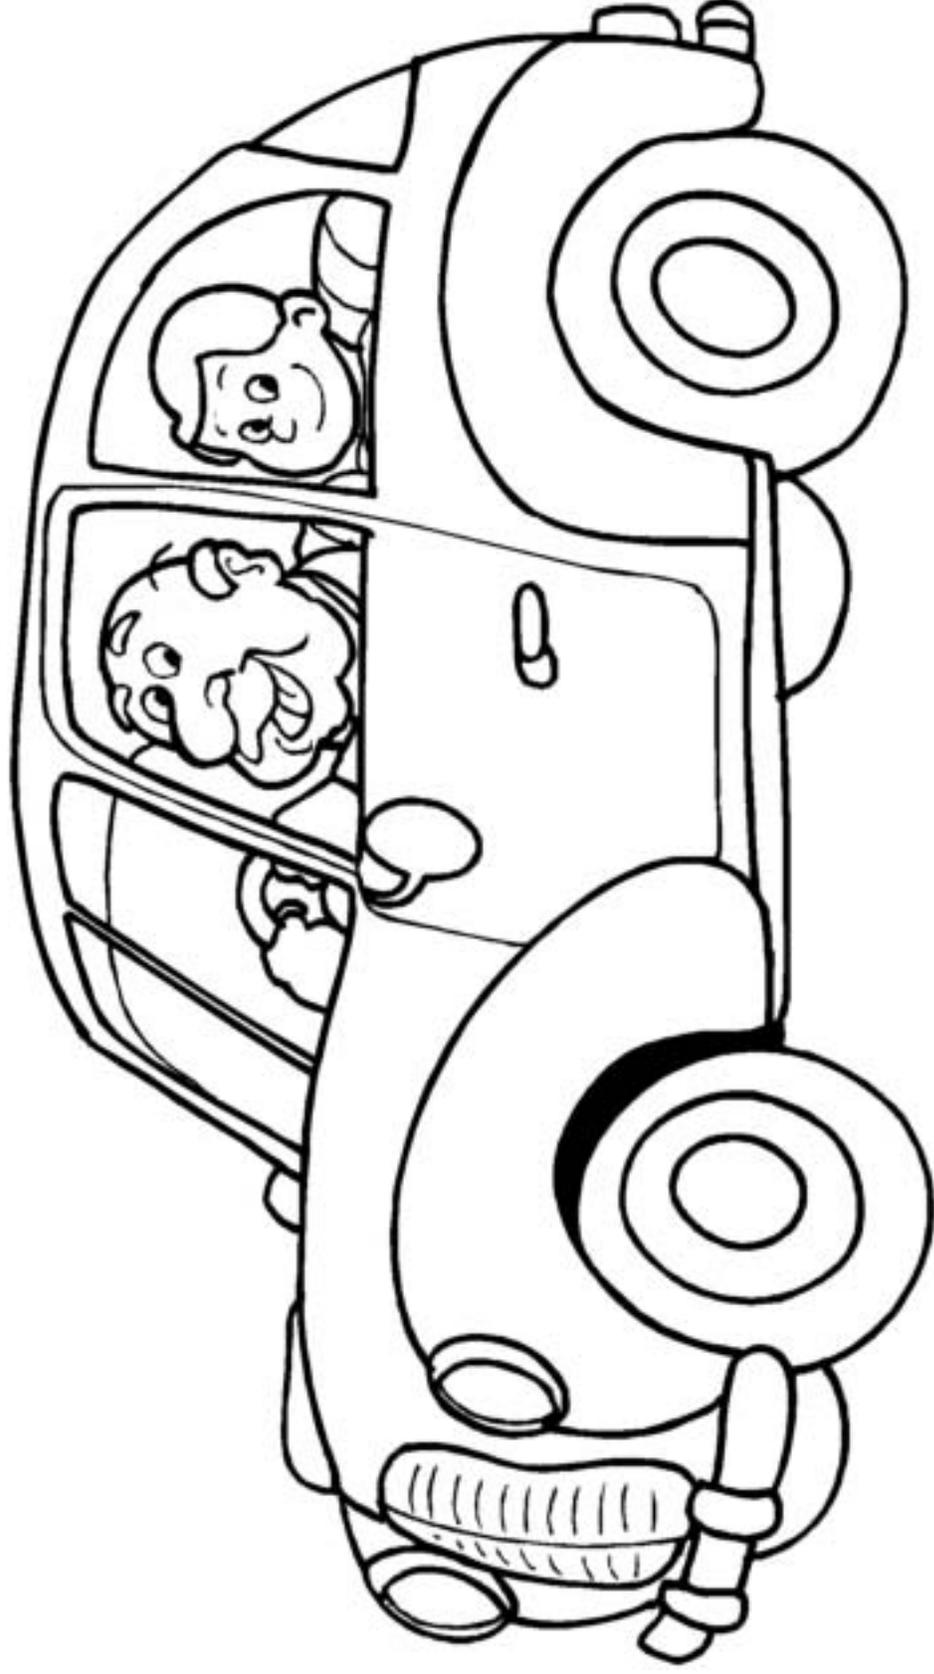

Grandpa teaches me about the birds who live near us. Older people know lots of cool things!

My great-grandpa and I like playing checkers. We like our time together!

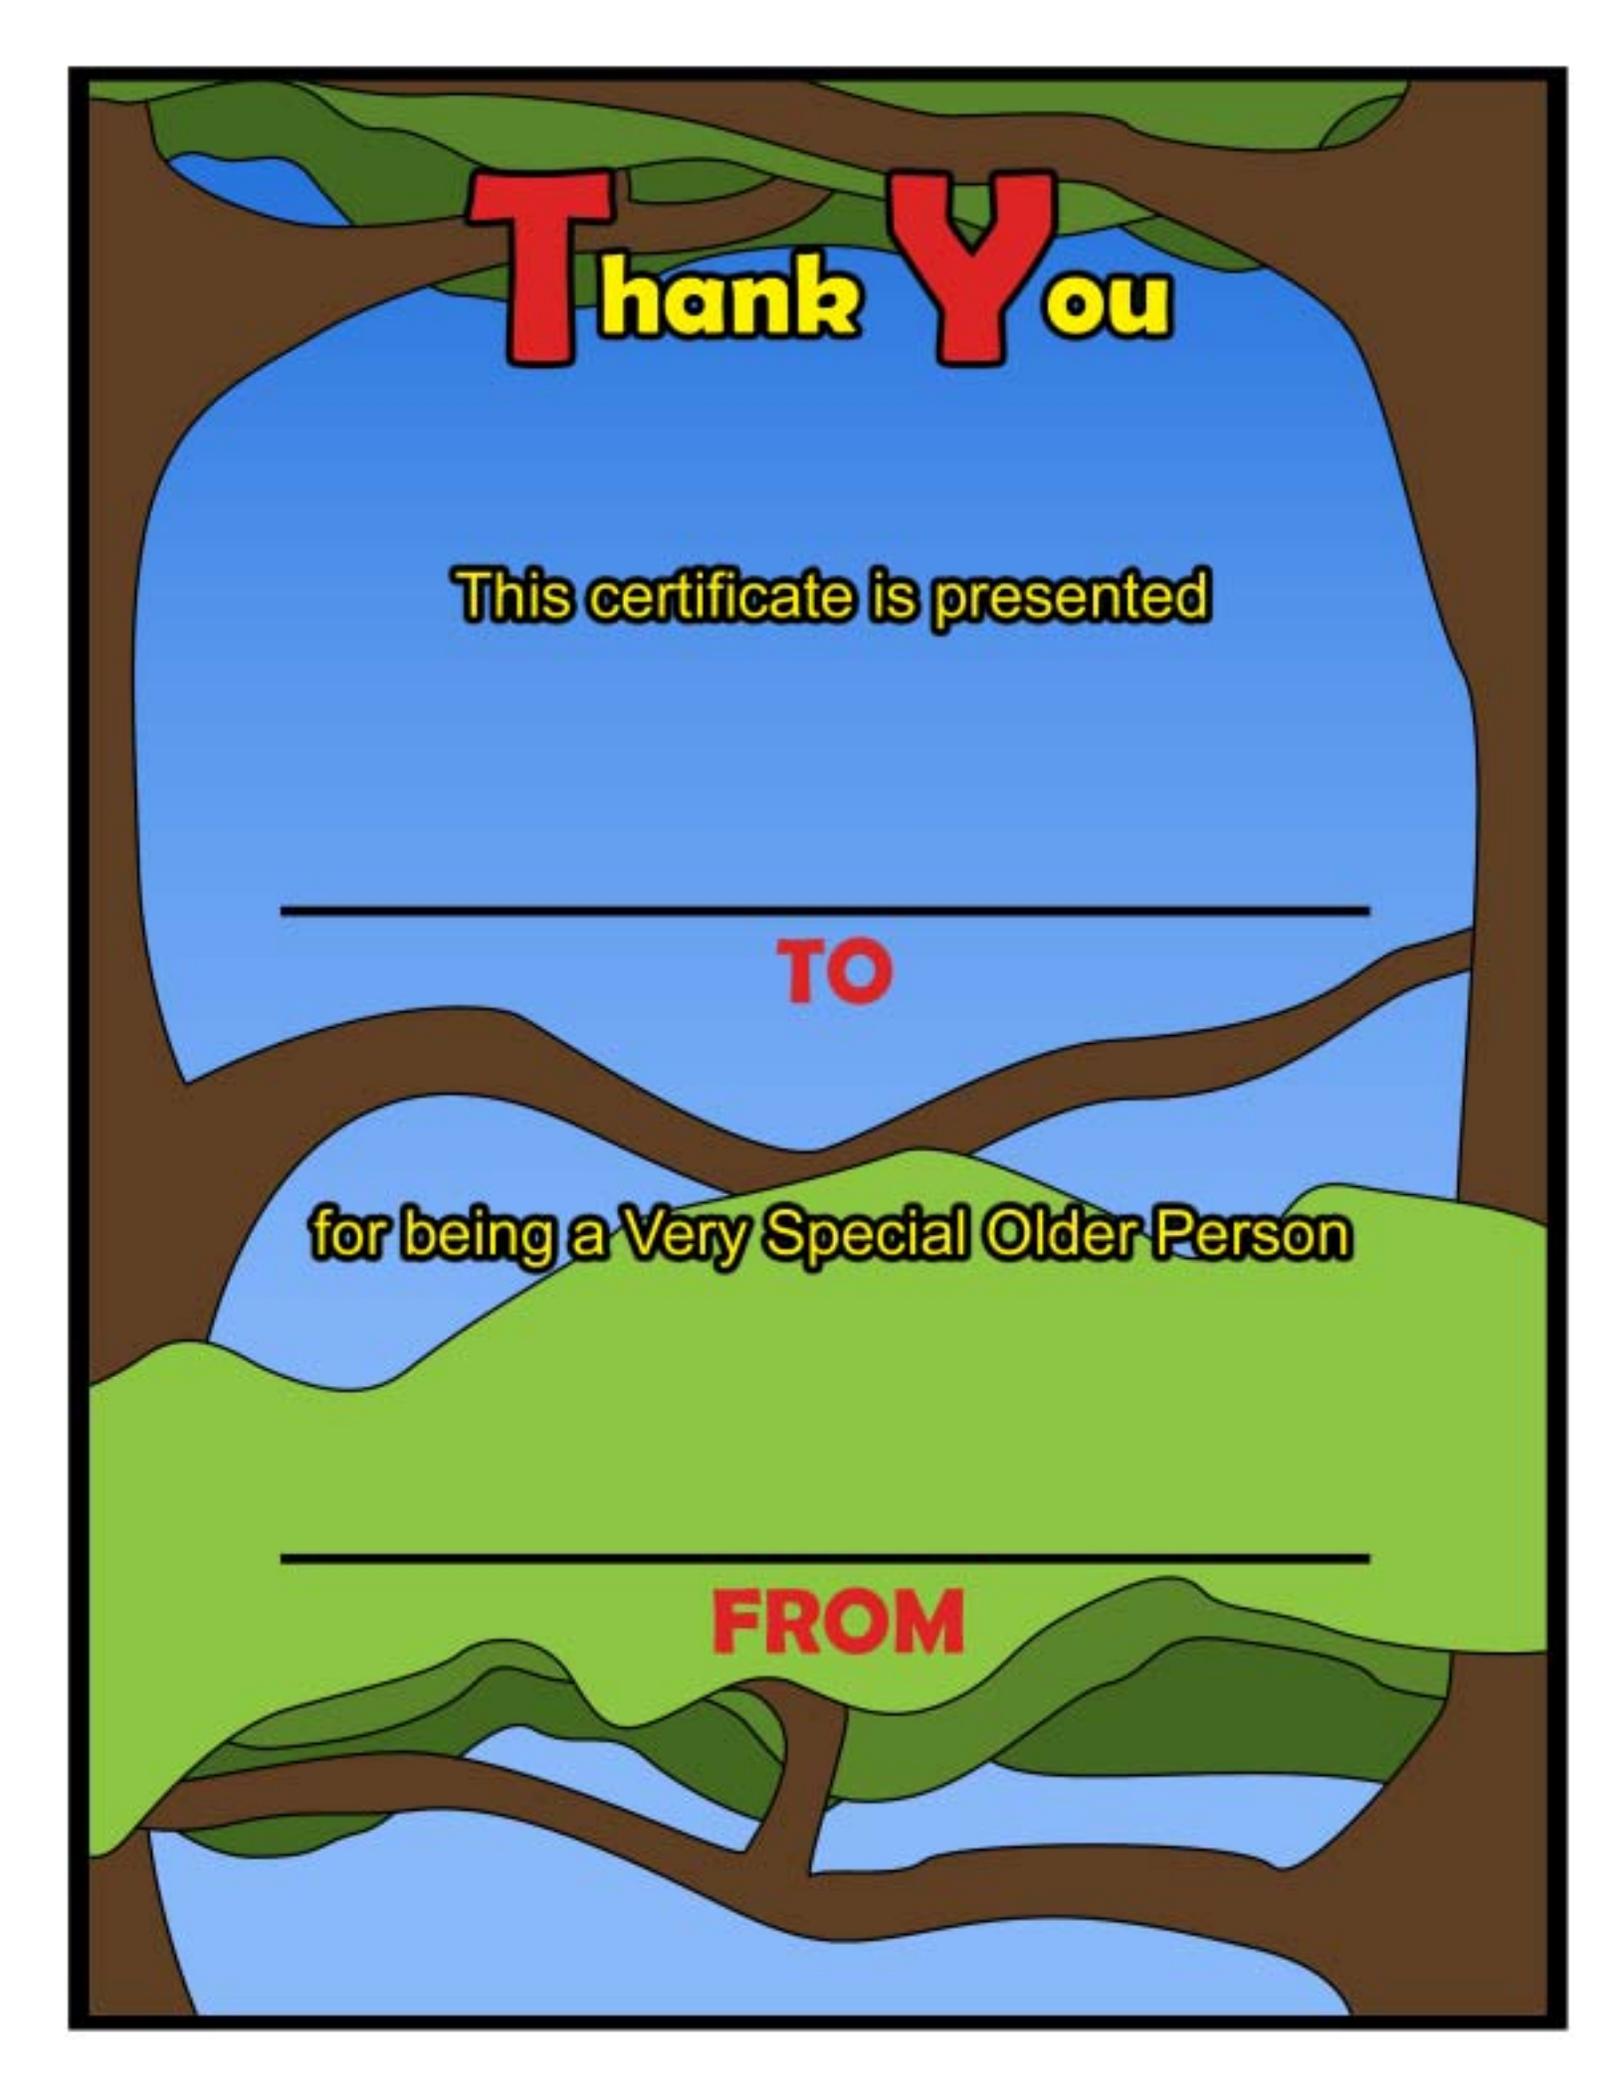

Granddad takes me for rides in the car. We laugh and talk about the things we see.

My uncle carves the best Halloween pumpkins! Older people show us they care in lots of ways.
